

Leadership Conference Ideas

A Call for Leadership Conference Ideas

The July, 2011 Leadership Conference will be held in Baltimore, Maryland. Conference sectionals and presentations will center on the ideas around the theme of stewardship of creation. How are our schools seeking to teach and model stewardship? Can our schools model environmental stewardship? Are our schools “greener” today than yesterday?

PLEASE CONSIDER TWO THINGS:

1. THE STORIES OF OUR SCHOOLS: CSI is looking for schools that model environmental stewardship. We are looking for school leaders who would be willing to share their story. We are looking for schools whose stories will inspire others to action. If your school has a story to tell in words, powerpoint, or video; we would like to hear from you. If you have “gone green”, please let us know and tell us how.
2. INDIVIDUAL PRESENTATIONS: We are looking for volunteers who are interested in presenting at the conference on topics related to stewardship, sustainability, caring for creation, and serving the Creator.

LET US KNOW SOON – no later than **October 1**

If you have a story to share or a presentation topic to submit for consideration, please contact Jeff Blamer, director of membership, at jblamer@csionline.org or at **800-635-8288 ext 223**. If you have a story from your school to share, please provide a brief descriptive paragraph. If you have an individual presentation to submit, please include a title and a one- or two-sentence description.
